I'm looking for a book, I remember that there were two

brothers that lived alone in a cold country up north of

Europe, I don't know if Iceland, Sweden or Finland or

Greenland, and they a kind of robot servant or babysitter that

it takes care of the children, they go online school and they

do exercise in their home, suddenly i don't recall why they travel to time history I believed by a device, I dint recall really.
