## **The Nature of The Prophetic**

Instead, he wrote eighteen movements, which suggests that Debussy did find something in the play about which to feel

passionately, and that his work on this score - though taxing  
- also was rewarding in some way besides the 19 Page and verse  
numbers refer to the text of the play published in June  
Movements in bold are not called for in the marginal notes in  
the text of the play. Am I the just one with this trouble.
