## **Lost in a Sea of Starlight: An African Adventure**

What I find essential in the metaphor of the hybrid, used by Mezei and Jean, is that it is based on an organic structure: if we compare it to other models like that of the collage often used by other avant-garde movements, including Surrealism itself or, from a later time, that of bricolage, we can see that this model maintains the belief that the hybrid organism is alive besides being functional - it is not an artificial product.
