MackenzieLawrenceMackenzieisaSeniorEducationSpecialistattheInterr I On the Seventh Day this writer mistakes things coming out of left field for genuine plot twists. Mix vigorously with lack of political will to protect habitat and enforce the Fisheries Act. Adventurous young readers will get a whirlwind tour of the world's biggest country with this book about China, taking a look at its people, its landscape, its culture, and what the future holds. Memories of Barnegat City. Brier's enthusiasm for his topic and the culture that inspired it shines throughout the book, and he's equally charming when geeking out on the science of transporting ancient monoliths and eyerolling at the anachronisms and inaccuracies of Egyptomania
