Hitler taught it tricks, revelling in how attached it was to him and how glad it was to see him when he returned from duty. Whatever I talk about, I implicitly claim that it is the right moment to talk about it - any speech act, however mistakenly or apologetically, lays claim, usually tacitly, to its own timeliness: and a speech act concerning the question of the moment, the time, or timeliness in general leads to a potentially paradoxical reflection of that structure.

### **ADIRONDACK LAKES: A Brief Nature Visit Book - Book Four**

So they got him into the boat the best way they could, and Weston sat by him to hold him up, and the boy who had been bowling pulled them. Those who were honoured by a better acquaintance with him than the rest, declared that nobody could pretend to have ever seen him anywhere .
