But the branch was unpinned forever, and at each new whiplash my look separated more and more and more from the distant familiar horizons; and my face took the expansion that came from within, the defined expression that hinted at a feeling of intimate liberation; a feeling that surged from the balance between my life and the truth of the kiss of the new paths. A storm rages outside, so they stay inside and try to recover the whole day. The sittings only take place on paper; it is I who am charged with the preparation of a so-called report-always the same-which I copy out afresh each quarter.
