Compartimos el mismo deseo de adorarlo. Interpretations of the background to the Cuban diaspora - a political revolution and the subsequent radical transformation of the society and economy towards socialism - are politicised and highly contested.

## **1919 The Metamorphosis of Hitler**

This constitutes a "psychological defense" that explains and justifies Sendak's placing "the memory of catastrophe and the desire for transformation in the overlay of landscapes" Bosmajian This insight will prove useful in examining how some adults who have experienced the violence of war, exile, and the Holocaust as children map those experiences with the overlay of the fairy-tale landscape, attempting to transform trauma through desire for the reconstituted safety of home. The most important sources for this endeavour are auction and assessments reports, letters, conversation booklets, diaries, notes, composition masters and utterances of his contemporaries.
